 told me, I could not miss my way
 did make my way long forth
 which is the way? I thank you
 this way, the Romans must or
 'gan to look the way that they did
 the way which they stooped eagles

WAY—art a way, I think, to liberty. *Cymbeline*, v. 4
 you know not which way you shall go
 the way of blindness! (*rep.*)
 discovered not which way she was gone
 Romans, make way for me
 shall be thy usage every way
 barr'st me my way in Rome?
 but go thy ways; go, give that
 this way, or not at all, stand you
 this way to death my wretched
 which way shall I find revenge's cave?
 kinsmen, this is the way
 or plot the way to do it
 thus ready for the way of life
 and we are half way there
 to cast thee in our way!
 can any way speak in his just
 go thy ways (*rep.* iv. 6)
 your thoughts went on my way
 come your ways (*rep.*)
 which is her way to go with warrant
 no way to be rid on't, but by the way
 in that clear way to customers
 come your ways (*rep.*)
 will you not go the way of women-kind?
 any of these ways are better
 give him way. Have you no souls!
 rest untold; sir, lead the way
 your liking a more worthy way
 fled this way, sir: when by no
 go thy way, in way of good service
 draw, you rascal, come your way
 which way thou might'st deserve
 if the wild geese fly that way
 'tis best to give him way
 in which your path that way, I this
 entreat for him, nor say we sustain him
 O that way madness lies
 this way, my lord. With him
 nature thus gives way to loyalty
 his wit has given way to his impatience
 let him smell his way to Dover
 cannot see your way. I have no way
 in the way to Dover (*rep.*)
 not make us on the way
 our wishes, on the way, may prove
 one way I like this well (*rep.*)
 stay with us; the ways are dangerous
 half way down hangs one that gathers
 my brother's way to the forfended place?
 thou dost make thy way
 shall give them instant way
 'tis the way to call hers
 he ran this way, and leaped this
 go thy way, wench; serve and
 I must another way to fetch
 is but a little way above our heads
 way ran he that killed Mercurio? (*rep.*)
 to light thee on thy way to Mantua
 in walk in thievish way
 foot wanders this way to-night
 lead boy; which way? Yea, noise?
 the steep and thorny way to heaven
 come your ways, shall obey, my lord
 he seemed to find his way
 but in the beaten way of friendship
 we coted them on the way
 and profit, was better both ways
 certain players we coted on the way
 bring him to his wonted way again
 go thy ways to a nunnery
 [Kut.] play the fool no way but in's own
 his affections do not that way tend
 they must sweep my way
 come, I will give you way for these
 nothing neither way. Have at you now
 some one way, some another
 Is the next way to draw new mischief on
 let her will have her way
 do it a more delicate way than drowning
 it is clean out of the way
 these mutualities so marshal the way
 assays to lead the way: if I once stir
 what, man! there are ways to recover
 ay, that's the way; dull not device
 to draw the Moor out of the way
 speak, is it out of the way?
 there is no other way; 'tis she must do't
 bring me on the way a little (*rep.*)
 nay, that's not your way. Hang her!
 nor send you out of the way? Never
 every way makes my gain
 I have made my way through more
 no way but this, killing myself
